Dearest Lord,
Teach me to be generous.
Teach me to serve you as you deserve,
To give and not to count the cost,
To fight and not to heed the wounds,
To toil and not to seek for rest,
To labor and not to ask for reward,
Save that of knowing that I am doing your will.

Cheerleader

This year the 2002-2003 Belen Junior Varsity Cheerleaders attended a Top Gun Camp hosted by Víctor Rosario. Individually, cheerleaders perfected their stunting abilities and techniques. During the year, the cheerleaders participated in numerous pep-rallies and games. The team has surpassed all expectations, and is without a doubt, the best Junior Varsity Cheerleading team in Belen's history.

The 2003-2003 Belen Varsity cheerleaders, likewise, began the year attending a Top Gun Camp. Supporting the guys by going to as many games as possible, no matter how far the drive, attending all the pep-rallies, and even decorating the locker room showed our spirit toward Belen. One of our biggest rewards was the bundle of joy that came along with our coach, little Kyle Rodríguez.

The 2002-2003 season will go down in basketball history books as one of the most exciting ever. The Wolverines played in five overtime games winning four. Two of the overtime games were quadruple overtime wins. The team also renewed an old rivalry with Columbus after a seventeen-year absence. Other notable games included victories over South Dade, St. Brendan and LaSalle in addition to three hard-fought games versus Gulliver Prep. The Varsity Basketball team ended their season with a record of 18 wins and 11 losses. Alejandro Guardiola led the Woverines with 20 points per game including a school record 44-point effort against Curley. Anthony Fernández averaged a double for the season with 11 points and 10 rebounds per game and Alejandro Tellería added 10 points per game as the sixth man. Jean Paul Bermúdez was second on the team in rebounds, while Gabriel Bermúdez led the team in assists. Anthony Torrente and Christopher Gueits added experience and defense. Ignacio Duquesne, Javier Morejón, Stephen Putman, Daniel Rodríguez, and Iván Echenique contributed greatly off the bench.

The basketball program learned many things from its Senior players. The commitment, desire and hard work displayed by all of them has shown the underclassmen the way to succeed. This attitude, in conjunction with the underclassmen's natural ability, paints a bright future for basketball at Belen. We would also like to thank Vince Fernández for all his help during these past three seasons.

VARSITY CREW

The Varsity Crew was a young and determined team this year. Only four seniors finished the season, with the bulk of the team made up of sophomores who performed well beyond their expectations. All three boats qualified for the FSRA State Championships giving Belen an entry in every category. The J.V. four placed second in the State Championship regatta after an incredible final race where they held off Pine Crest in the last second. The Third four did the unthinkable by winning the State Championship in their category, giving Belen it's first ever Gold medal at this regatta. The Varsity Crew had the toughest job all season. Every weekend these seniors would face the fastest crews in the State and letting them know that the Belen Varsity crew was there, was fast, and was ready to race. This year, with three medals at the State Championships, the Belen Crew made it clear we were the new rowing power in Florida Scholastic Crew. The team would like to thank Coach Alex Salas for all his hours of hard work and commitment to the team. Thanks also to the Parents Club for making the season possible.

JV CREW

For the first time the Novice/Freshmen Crews competed in both the fall and spring rowing seasons. Two sets of tryouts brought the team many gifted athletes. The novices started the season long on enthusiasm, but short on know-how. They quickly picked up the "stroke" and were off to winning races in several regattas. Among the highlights of the Frosh/Novice Crew, was a First place finish at the Miami International Regatta against cross-town rival MRC. The Crew ended the year, qualifying for the FSRA State Championship, and placing third in the State at the Finals. The team would like to thank Coaches René Revuelta and Alex Salas for their support and dedication.

The 2002 Varsity Football team was the best team in Belen football history. This fine group of young men won 10 games and lost 2, which included a regular season record of 9-1. This is the first Belen football team to win a total of 10 games and the team tied the 1990 team for the most regular season wins.

The team accomplished all of this without having a home field advantage. The 12 games were played at 11 different fields, with our home games played at Tropical Park, LaSalle, Palmer Trinity, FIU twice and finally, our Homecoming game at Belen's new football stadium. The team and coaches also overcame the everyday obstacles of commuting with lots of equipment to practice at Tamiami Park. Team leaders such as Chris Gueits, David Caballero, René Veliz, Louis González, René Larrieu and Gabby Fontela and the rest of a very strong Senior class, made sure the team stayed focused and didn't let the hardships of not having a home field interfere with the team's success.

Some of the season highlights include the following:

- Shutting out Gulliver 28-0. 1982 was the last time Belen shut Gulliver out.
- Belen school record of 56 points in a half against LaSalle.
- Blowing out Crescent City 39-6 for the 10th straight Homecoming victory.
- A 53-28 victory over BayPoint after trailing 22-21 at the half.
- Being the first Belen team to start a season 8-0.

This Senior class of 2003 was truly amazing. Their 3-year Varsity record is an incredible 28 wins and 8 losses. They will not only go down as the best group of Belen football players but as great leaders, hard workers and good people. Thanks for the memories and best of luck in the future!

Steven Pessoa

The 2003 season saw the welcomed return of our #1 Singles player, Steve Pessoa, who missed all last year due to a severe shoulder injury. Steve not only lead the team to its twenty-third consecutive winning season since 1981, he achieved a personal record of becoming the District 16AA #1 Singles Champion. Steve joins three other Belen tennis players who advanced to the State Tennis Tournament (Héctor Ortiz in 1985 and 1986; César Conde in 1990 and 1991; and Luis Iglesias at #1 Doubles with Ortiz in 1985 and 1986). At the state tournament in Tampa, Steve played brilliantly in reaching the Quarterfinals.

The team also had great performances from veterans Jorge Salazar, Facundo Rosselló, and brothers Javier and Daniel González-Mora. The team received additional support from Luigi Juárez, Andres Garrigo, Juan Fernández, Patrick de la Llana and Santiago Tefel.

Special recognition to: Ms. Maria Elena Cartaya who attended every tennis match at Belen to support the team and is our #1 Fan. Coach Víctor Arrieta who ably managed the team during the District Tournament.

The tennis team record is now 274 – 110 since 1975.

This year's track and field assembled what is arguably the best group of runners in Belen history. It also was historic in that it inaugurated our brand new World Class 400 meter 9-lane running track. The 2003 season was the inaugural State Boys Volleyball FHSAA series in Florida. We were really excited about attending our first district tournament. This kept the team focused and motivated throughout the season.

Leading the team was Captain Víctor Ruiz (hitter), and Co-captain Juan Andión (setter). They were the anchors of the team. Helping at the net were seniors Jean Paul Bermúdez (middle hitter), Carlos Wiltz (outside hitter), and Américo Padilla (blocker), and junior Danny Fernández (outside hitter). Defensive specialists were Tim Halpin and Alex León. Our ace server was Adrián Díaz.

The highlight of the season was the tournament at Ransom. The team really came together as a unit. They beat rival Greater Miami Academy and Ransom to take 1st Place. Juan Andión served 13 in a row to win 15-10.

This year's team was a wonderful group of young men. Their attitude towards the game and each other made a big difference in their performance this year. It was a true pleasure to coach them and see their progress throughout the season. I'd like to wish the best to the 5 graduating seniors. We will miss you. Also, a special thank you to Mrs. Bermúdez who helped with the score-keeping and the parents and teachers who supported our team.

The Wrestling team had one tough season. Only losing Head Captain and State Champion David Bouza to graduation, the team looked like it would have another great season, but this year turned out to be bitter-sweet. After several veterans decided to end their careers early, the team took a big hit, physically and mentally. However, they were not going to let that stop them from working hard and doing their job. Flooded with first year seniors and junior high veterans the team began suffering from various injuries. Going into the District Tournament without several key wrestlers, the team managed to take several 3rd and 4th place finishes, a 2nd place finish by Steven Rico and Ernie Calderín, and a 1st place by Jason Machado after being out for 2/3 of the season with a hip injury. Machado went on to wrestle at the Regional Tournament where he dislocated his ankle in the opening minutes of the Regional Championship. In the hands of any lesser man the injury would have been a nuisance but once again facing certain defeat, Machado picked himself up and showed what the true heart of a champion is made of by winning his second consecutive State Championship.

The 2002-03 J.V. Basketball Team faced tough competition and played a majority of its games on the road during this record setting season. The "road warrior" mentality seemed to bring the team together and the Wolverines finished the year with an excellent record of (21-5).

This was a very disciplined and strong-minded group of individuals that played as a team and fought hard to the end of every game. The schedule included games with rivals Gulliver Prep, St. Brendan and Key West. Also, an old rivalry was renewed as Belen played Columbus for the first time in quite a few years.

Many exceptional performances were turned in during the course of the season. Frank Manes scored 31 points in the season finale against LaSalle and Eric Montes blocked 7 shots in that same game. The Wolverines won that contest by a score of 92-24 to record their 21st victory. Jonathan Hermida had 23 points, 9 rebounds and 6 assists in a win over South Dade. Starting point guard Chris Zum arraga and power forward Fernando Ar n also set single season school records in assists and rebounding, respectively.

Every player on this year's team contributed to the team's success and there is no doubt that several of these student-athletes will be outstanding varsity players in the years to come.

Junior Varsity Football

Head Coach: Angel Aparicio (15th Year)

Assistant Coaches: Barney Flores, Javier Valdés and Ramón Crego

Team Record: 3-4

The season can be summed up in one word: "Interesting." To start this off, they didn't even practice on their own field and their only home game was played at La Salle. The team got off to a fast start after big wins over Pine Crest and Key West. The line, which protected QB Frank Manes through the season, consisted of guards Louis Méndez and Steven Artau, center Louis Martín, tackles David Monzón and Miguel Mármol, and tight end Carlos Nieto. The RB's Charlie Manrara, Danny Rodríguez, Ferny Arán, Jimmy Fenton, Brian Dominguez, Jonathan Hernandez, and Carlos Roque racked up yards on the ground. Even though the running backs took an early blow losing Maickoll Papastavros because of an injury, they still managed to hold together and succeed.

The Defense was led by Jimmy Fenton, Louis Méndez, Charlie Manrara and Carlos Nieto as they helped douse the fires of opposing offenses. The defensive line consisting of Jimmy Fenton, Ray Milián, and Alex Capote, dominated the opposing offensive lines, while linebackers Louis Méndez, Steven Artau, Ferny Arán, Eddy Regalado, and Eric Knott shut down the running game. Our secondary led by Charlie Manrara, Carlos Nieto, Brian Domínguez, Peter Pidermann, Chris Zumárraga, Danny Rodríguez, and Jorge Ugarte shut down the aerial attack. Without the leadership of Head Coach Angel Aparicio, and assistant coaches Barney Flores, Javy Valdez, and Ramón "Mongo" Crego we wouldn't have been able to make it through the season. We were able to come together through a mix of emotions, personalities, laughter, and tears to step up to the challenge of the toughest JV schedule ever.

We started the soccer season with try-outs, where thirty kids came out competing for eighteen spots. The JV team had an excellent mix of kids from eighth, ninth and tenth grades.

The players showed great interest and discipline, which helped us do our job. The physical, technical and tactical aspects of the game were learned quickly. The kids always absorbed the information focusing in the main objective which is to be in the Varsity team.

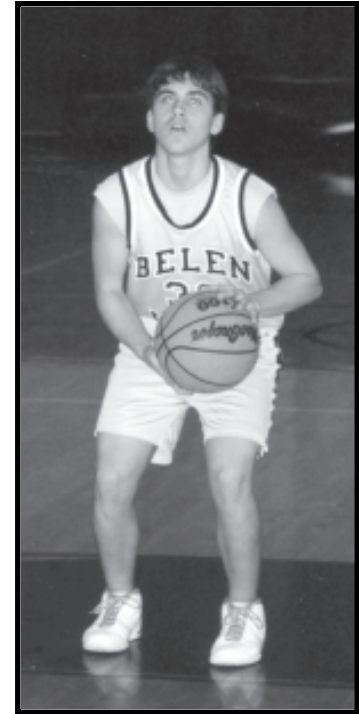

Our season went well without any inconveniences, we hope that in the future the work done by these players will help coach Fabio Ortega and Assistant Hugo García to many successful years of soccer for Belén.

The 2002-2003 Junior High Basketball team had an exceptional season because of the outstanding teamwork it exhibited on and off the court. Led by first-year coach, Thomas de Quesada, the team repeated as champions of the ACC. The team was well balanced with seven 7th graders and seven 8th graders. The group was led all season by the hustle and charisma of Tony Quezada and Giovanni Christodoulou. Steven Agras provided the inside presence and outstanding scoring ability, and Agustín Guardiola's court vision made the offense flow all season long.

In the end, what made the unit a special one was its commitment to defense. Defense is what propelled the team to its biggest victories all season against St. Michael's and St. Agnes. Depth was also a contributor to the team's success and everyone was able to share in the enjoyment of the year.

The 2003 Baseball season was unique and full of excitement due to the completion of our new baseball fields. The team was finally able to play their 2003 season in the field of dreams. The team was driven by five 8th grade players that were strong-minded and diversified. One outstanding player that anchored the team by playing multiple positions and was the recipient of MVP award was Pablo Vinent. Another sensational player that secured the infield with his soft hands and great bat authority and given the Coach's award was Giovanni Christodoulou. In addition, and just as great was Emmanuel Gómez, Rosendo Forms, and Juan Sotolongo who played with their hearts every game. The team would not have been complete without the 7th graders who also contributed to the team's success and enjoyable year.

Thanks to the De la Cruz family the Junior Track team was able to inaugurate this season in brand new synthetic surface track. The Wolverines made good use of it by winning the ACC and the Tri-County Championship. At the Dade County Championship the team finished in 3rd place and the 4x400 was able to win the event. Congratulations to all the athletes on a fine season.

Considering they only had two returning starters, the team went through it's second rebuilding year in a row. While the Wolverines had a record of 2-8 they were able to finish strong with a 4th Place finish in the ACC Tournament held at Belen. Congratulations to the players on giving their best efforts.

The Sixth Grade Basketball team had two goals in mind this year. First, each player dedicated himself to become a better basketball player and improve with each practice and every game. Second, and most important, was to have fun playing the game and enjoy the experience.

The team played with a lot of heart all season long. After getting off to a slow start, the Wolverines came back to win 5 of its last 6 games.

Jorge Menocal averaged 9 points and 3.5 steals per game. He is an extremely versatile player and proved it by playing four different positions during the course of the season. Starting center Mario Rojas contributed 9 points and 9 rebounds per game and was a major force at the defensive end of the court. Luis Wulff ran the offense, led the team in assists and definitely has much more Belen basketball in his future.

This team demonstrated consistent improvement throughout the year and really came together as a team at the end of the season.

Thanks to the parents of all the players for their support and enthusiasm.

The 2003 Sixth Grade Baseball team was full of energetic talent. They faced the All-Catholic Conference with a strong defense and long bats in hand to secure runs. The team was rarely contested on the field as they hammered their way towards season championship. The season was a great success due to the outstanding pitching on the mound of elite players like Mario Rojas, Luis Wulff, Will Harrison, Nick Llaca and René Gómez and Joe Capparelli, who was just as great behind the plate catching. Not to be left behind was Zachary Berger and Andrés Wiltz whose big bats showed up in a demanding way, as well as Eric De Lara and Eric Donado and their soft hands in the in-field. Securing the outfield, playing multiple positions and keeping runs from scoring were Adam Bofill, Lázaro Rodríguez, Angel Faraldo, Manny Abella, Javier Castañeda, Javier Sosa, and Michael Collantes. This outstanding combination of players led the team to victory time after time. They turned in an undefeated season and topped it off with the ACC Southern Division Championship.

As it occurs every year the Wolverine 6th grade cross country season started with a lot of inexperienced runners through hard work and determination the young harriers improved throughout the season. Highlights of the season included winning the Holy Rosary II Inv., finishing third at the Tri-County Championships without its best runner and second at the ACC Championship. The team was led by Michele Martucci who was undefeated in 6th Grade races. Other notables were Dylan Rico, William Haralson and Joey Capparelli. Congratulations to all the runners and we hope to see you next year.

Due to the lack of athletes the Wolverines had a hard time placing in the top 5 at different meets. But the athletes we had gave their 100% to the team and worked hard to do the best they could. Thanks to the performances of Michael Abadín, Jorge Menocal and others the Wolverines were always on their toes.

Belen Wolberine Summer Camp

"Celebrating 20 Years"

Goals

Our primary goal is to provide for the safety of your children this summer. In so doing, we will create a highly Christian and moral environment, conducive to learning, fun, and full of recreational activities.

Brief History

The program, now in its 20th year, will again be directed by Mr. Carlos Barquin. Mr. Barquin has been at Belen Jesuit since 1969. He is currently the Athletic Director and Track & Field Coach.

Mr. Barquin has worked with Summer Camps since 1969. He was Camp Director for the International Y.M.C.A. and the Southwest Y.M.C.A. He directed the Big Five Club summer camp from 1979 to 1983, and in 1984 founded the Belen Jesuit Summer Camp.

The Belen Summer Camp is perhaps the largest day camp in all of Miami-Dade County.

Note: Registration will be limited to 1,100 campers per session.

Activities

Belen Jesuit Summer Camp will offer a wide variety of recreational, educational and vocational activities. Among them will be:

Sports**

Basketball	Kickball	T-Ball
Baseball	Volleyball	Field Hockey
Football	Soccer	Tennis
Softball	Track & Field	Wrestling

Special Lessons**

Track & Field	Baseball	Dance
Arts & Crafts	Basketball	Tumbling
Painting	Soccer	Swimming

**All sports and special lessons are at No additional cost.

Buildings and Facilities

The Belen Jesuit facilities are situated on 30 acres of land. A modern building houses the library, cafeteria, laboratories, computer rooms, audio-visual room, auditorium, classrooms, and recreational room. The gymnasium has two locker rooms, a weight room, a wrestling/tumbling room and two basketball courts. Ping-pong tables, toys and table games are provided.

Belen Jesuit expanded its facilities during 2002 and 2005. The projects included the Loyola residence, a science building, a new auditorium, art classrooms, a museum and the alumni office. All of our athletic fields were redone. The fields were raised, a new and improved drainage system was built, and 200 parking spaces were added. The new athletic complex includes a new 400-meter, 9-lane synthetic track, new football and soccer stadium, two new baseball fields, 5 tennis courts and two outdoor basketball courts. All of these facilities will be available for use this summer.

Awards

Each week there will be plenty of awards and prizes to motivate the children; such as Best Conduct, Most Cooperative, Best Athlete, Swimming Promotions, Groups of the Week, Counselors of the Week, and more.

Schedule of Activities

Supervised Camp activities will be from 8:30 a.m. to 4:30 p.m. School will open at 7:00 a.m. and close at 6:00 p.m. There is no direct supervision of campers nor organized activities before 8:30 a.m. and after 4:30 p.m. No child may remain past 6:00 p.m. After 6:00 p.m. there will be an additional charge of \$5.00 for every 15 minutes per camper, to be paid in cash.

Orientation meeting for parents of new campers is for Saturday, June 14 at 10 a.m. sharp. Camp will be closed July 4 (Independence Day). There will be a 1:00 p.m. dismissal on Friday, August 1st.

Lunch

The school has a full service cafeteria which will see an "all you can eat" meal and a snack. **Lunch is included in the regular summer camp fee.**

Registration

Registration will be limited to the first 1,100 children. The registration fee will be \$60.00 and includes two camp T-shirts, one drinking bottle and one tote bag. The above registration fee is not refundable and is in addition to the Four- or Seven-Week Session fees listed below.

- ◆ 7 Weeks (From June 16 to August 1) \$720.
- ◆ Deadline for special rates is June 6, 2002.
- ◆ 7 Weeks (paid after June 6) \$790.

You can also choose one of two Four-Week Sessions:

- ◆ Session 1: June 16 to July 11 \$460.
- ◆ Session 2: July 7 to August 1 \$460.
- ◆ Weekly \$170.

Camp fee includes all regular activities, a daily all-you-can-eat lunch, a snack and all field trips (except overnight camp). Remember the June 1 deadline. Registration is limited to 1,100 campers!
