BELEN ALUMNI LAWYERS' SECTION

DIRECTORY OF ATTORNEYS

2011-2012

Message from the Executive Chairman

As the Executive Chairman of the Belen Alumni Lawyers' Section, I am proud to present this first edition of our professional section's Directory of Attorneys.

The mission of the lawyers' section of the Belen Alumni Association is to advance the Belen Jesuit credo of "Men for Others"; to serve as a resource for the Belen Jesuit Preparatory School and Community; to promote a more just society; and to support one another in the practice of law.

In these pages are the names and contact information for numerous attorneys with whom we share the common bond of being members of the Belen Community. There is a wide array of practice areas represented and I hope that you will use this directory as a resource when you have a need for legal counsel.

On the following page is an index of members by practice area, allowing you to view a list of attorneys who specialize in the particular area of the law for which you are seeking assistance. The directory itself is organized in alphabetical order.

I want to take this opportunity to thank our founding Executive Chairman, Tony Castro, for making the creation of this directory one of the main goals of our nascent section and for his help in bringing this project to fruition.

Sincerely,

Robert Perez
